

Introducing Energy Efficiency Bingo!

Published 13-Feb-21 by [Corey Cote](#)

Grab your Kohkums, aunties, and cousins because Bringing it Home has created these step-by-step instructions so you can host your own Energy Efficiency Bingo game, either in-person or online! Bingo is a popular game in a lot of communities, and it can also be a great way to engage people to learn about energy efficiency in a fun environment. Through this game, you will be able to introduce different terms and their meanings which are often heard when discussing energy efficiency.

Along with these [step-by-step instructions](#) we are including a spreadsheet with the related words/phrases, accompanied by their definitions. This spreadsheet will be important for the Bingo-caller to have on hand when running the game.
