

# Housing Condition Assessor - career opportunity

Published 09-Mar-21 by [Sara Fralin](#)

The Housing Condition Assessor contributes to the organization's success by conducting building condition assessments on existing and new housing projects. The foundation of understanding the current condition and future needs of housing is instrumental in providing healthy, safe, and sustainable housing across the Province.

Minimum five years of experience and demonstrated knowledge in Building Technology, including, but not limited to, building code standards, major building systems and components.

See Job Posting attached.

## ABOUT AHMA

We make a difference in Urban, Rural and Northern housing.

Created for Indigenous Peoples by Indigenous Peoples, we are the first Indigenous Housing Authority in Canada and only the second globally. We support Indigenous Housing Providers throughout B.C. to provide housing to the greatest in need through different housing services and social programs.

Every employee on our team is integral to ensuring our success and the success of the communities we serve.
