

Few spots left for the 20/20 Catalysts Program (2021 cohort)

Published 04-Aug-21 by [Lina Forero](#)

The 20/20 Catalysts Program is ICE's award winning capacity building program that has supported over 100 Indigenous clean energy champions on their energy journey.

We have a few spots left for the 2021 cohort. Deadline to apply is **Aug. 15, 2021**

Share the news with your friends. This is an incredible opportunity!

*There is no cost to participate in the program.
