

Job Posting: CFN-GBI Network Coordinators

Published 10 days ago by [Denni Clement](#)

The Coastal First Nations-Great Bear Initiative is hiring!

The Climate Action Network is looking to hire two Network Coordinators. The Network Coordinator supports local staff (Climate Action Coordinators) in remote Indigenous communities throughout BC to advance climate action projects. This role includes supporting Climate Action Coordinators individually, as well as through peer networking. You will be working with a team of people who are passionate about climate action and Indigenous-led solutions.

Please see the posting for more details: <https://coastalfirstnations.ca/climate-action/>

Applications due August 15th

Thank you for your interest.
